Con's Fones don't trust me.

His mother raised her eyes when she said something, right? Again?

Shut up. I don't want to hear anything. 05

Why don't you say 'buck'?

The mother of Taon says with a bitter throat, 084 C Jingala

That's it. That's why I don't want to hear. Reo obey

The time I read it, it's when I come. It's too boring. [Map on page 16]

How's a bungle? Asking for reading?

A couple of times. Sometimes they mock me for reading.

'They laugh at you?

It's a pixOt. That day, what did you say?

'The capital of Bhutan should be named!

I said, "Thempoly." The crow says it's a name of Jozak. It's started

With that. What's with that — sweet. The capital of Bhutan should be named. Kimpo

It's starting with the kick. Ka is the best character because the crow starts with a kick. [Map on page 16]

'He told you

Stevetby dad.

'Okay, now shut up and sit in front of me. I'm gonna give you one or two.

I will. Calm down. Hold still. What are you doing with the pencil?

You're going to eat that asshole. Why are the INA bet on the Pildele table? You are.
 You're not playing soccer. You're sitting. Sit down. "
 She was so polite. His father's receipt, his mother and little daughter
 He called the sister. The little sister's name is gentle. He's a year and a half.
 Could stand. Can be a little VGH, but you can't tell me. Tuk

 He doesn't. I don't want to eat, I don't want to eat, and I don't run around all the way

 He eats happy, then he goes on to smoke. Lowerer
 No need to go to school but he wants to go to school too. In school like this
 When you go, it's not black. Go to school
 How?
 The mother of Tair said you're not going to walk. Your father, Repa.
 I'll get you back.
 'Heat has to walk on a bicycle, mother. [Map on page 16]
 'No, it won't. Your father's gonna put you in a bicycle.
 Muna boy is in pain. The worst is being made to suffer
 It's about talking. A boy in class Bs, seven years old. Why he
 You want to talk so much? And when you say, many think.
 I think the crow comes and talk. A few days ago from home, Munar.
 Father-in-law is here. His body will show the false. The doctor showed me. One.
 A week. When she left, she hung her face and said, "Malma,
 What's that say?
 'You're talking to Kake
 Yes mother.
 It's like that, Dad. Very interesting. In his pain, we
 I'm sick of you.
 I mean, Mom — as I said again
 I believe it. Maybe ATA!
 - Dad! Would you like to talk to him?

How? Does man understand who?

"Some can, please. A prophet of ours was Hazal Sulaiman —

He could understand the bird.

Muna got bored and said, Dad, no Tukko Prophet. He's a bad boy.

You don't listen to him. When all of this comes to talk, threats

Will do. '

No, no, what's the threat? Baby boy If you're a child, you're a child.

It's not worth it. On the cheek

I'd like to slap you. No slap. His father, without rule, is in modern territory.

Boy will raise. This is the result of raising children in modern-day areas. [Map on page 16]

He's sitting on his feet.

Mr. Rashid has just pulled a chair in front of Ratan. Myth

You've got it in your arms. Make sure to see the mouth from here.

I can't. Sometimes when she looked at him, she saw him.

You got it. Munar looks like a little for a boy. A kid.

For — court. No need. Don't make it up and talk.

There's nothing wrong. It doesn't seem very worried. He's her.

He's looking big at Dad.

He said, "Kun!

Stevetby dad. "

"What's the name of the crow who talks to you?

Ceyw has no name, Dad. The birds don't have names. People have names.

"What did he call you to do?

'I call him a name. Says tuna. To:

" He talks only to you, doesn't talk to us — What is the reason?

"They like children. ■ Like adults ■

The link is small. Why doesn't he like him?

They can't see him, Dad. This day told me, yours.

Who gave the little sister such a bad name? In addition to your name.

Should've kept it. That would be nice. The sister of Rupert.

'This is what the crow told you

FA?

'And what's ee

A little bit later, the guy asked English? This time, he said, "What's English?" [Map on page 16]

'You speak English?

Tukh said with enthusiasm, I did. Spelling and saying — Google.

'Okay. Now you mind me saying TA

I'm listening very carefully, Dad.

'SP is not listening carefully. Come on. [Map on page 16]

'The kick has told me, you know, you know, you know, you know, you'd just sit down and sit down, or you'd have to. If

Sometimes you have to sit and dance. Legs are ripe.

Blood movement is good. Legs are good. Like our wings, yours.

My feet. '

You look at JAR in a frustrated eyes. You laughed.

On the other hand, look at it and hide it. Look at his smile

No, he doesn't. Not today. Today, there's something that makes sense.

It will.

The receipt said, "Tenk, look at me." Listen to me. Small

He's a lot of talk. It's not too bad. But I admit him.

He's making it up. If someone makes that up

Everyone wants to know the truth then it's a problem. It's his habit.

There you go. You tell me, don't you use it?

Tukko said it would be a habit. When I grow up, I lie.

Talk to me.

'There you are. So now you and the crow.

Don't tell me. You tell me you're getting used to me.

I don't have to practice, Dad. I don't make it up again.

Don't you think you're making a oughton?

'No. That's what I really say.

The receipt said it was disappointed. Okay, you go. Come on.

He didn't.

The receipt stopped him

He said you could talk about anything other than a crow.

Can't I talk about a pixac?

Nope.

She gave her breath a little bit, okay? The receipt is worried rice

Eat. Muna is feeding the smile. He fell asleep at eight o'clock. Send anyway

He has to feed at night in sleep.

She jumped to her mother and Fisher said, "My mother is a funny thing."

You know what? As you feed your little ones.

He feeds. They don't have hands. They eat with their lip.

My mother said, what's the point? Never talk about WS anymore.

Bl

She breathed it little.

THF and tuna show in a room.

Two different things. Mandha at night is in this room. Sleep.

Breaks and goes to mom's house. One of their homes and AJ cells

The door. The door is always open.

Muna wants to keep their rooms so beautiful. Sometimes it's possible

Nope. Once you get home, the arrow cries. How can both make room?

ARCS is very calm and good girl, but it's his skill to keep the house dirty.

Excellent. He's an A, that's a quiet piece of paper. He's on paper.

Gunes. Both songs and music are ridiculous. In song she's herself

Most impressed. Smile. Paper by Moona Several times every day

We have to move. Don't cut the paper, paint it. Images on walls. The walls are filled.

Photo. Their home was renewed a week ago. Telled

There's no more pictures on the wall.

Gogona comes to their homes to use mosquitos and photographs on the wall of Datesumor.

Images drawn. A picture of who. Not just pictures, under the picture, poetry pix

VECRILING IN THE CLACK CLOWS

The cow goes through the car.

There's a crow on both sides.

Suna used the mosquito. Kiss her cheek. It's now that they grow up

Don't give me a kiss. He still kissed her. He's a mosquito in Gazor

You said I'd turn off the lights, tuna?

Chapter 2

Gonna tell me.

'Don't be afraid.

note:

He turned off the moon and sat by the boy's bed. To his soft neck,

You got the picture on the wall?

'Yes. Isn't it nice, Mama? [Map on page 16]

He threatened his son and he'd sleep.

You don't want to be upset by bed before sleeping. It's gonna be a morning.

He said it was good.

'How is it, Mom?

"C your heart is good. But what kind of poetry is this?

On a forest tree in Bhakh, V3

I was excited to see what happened to my mother.

You know, I was reading poetry, and the crows came and said, "What are you reading?

I told you, I'm reading Rodranthan's poem, don't bother now.

What do you tell her?

'Sor

- Okay.

'He said, is there any poetry about us?

wrote?

I said, he wrote. He's the worldbie. The world has everything.

The poem is written. He said, look at what he wrote about us.

He'd read it a bit. Then I made this poem. "

Are you happy at the game?

" Very happy. He said to laugh, "Oh, Well done.

The crow is sitting on a tree. We've been able to write so nice as to make it the world.
Village-cob,

Couldn't be a country or a country. It's a highly highly respected SASL. [Map on page 16]

Mua had a long breath. Remember, he said what to do with this boy.

With?

She said, Mom, she was so happy to tell me that she was doing a job.

Do me one piece on the wall! Write it down. I am

I said Mom'd be angry. The walls have been renewed. Then him.

He said no, don't anger your mother. Let me explain to him. In fact.

It's not good to be angry with children. Mom, are you angry?

Nope.

'What can you explain to my father

'Let's try it or not. You sleep now. [Map on page 16]

When he went to sleep, he spoke of Muna crow and who's who's who. I'm worried.

You told your neck, what about the boy? What does the crow do?

Can we get rid of it?

Kurt. He mustn't be so far. You could've forgotten.

There you go.

Munna said you thought you were talking to a doctor.

Need?

He asked me to pick up the receipt. It's not a disease.

The doctor will be treated. Young people take care. You'll be cut off after a while.
Okay.

Is anyone really sitting in his window?

Did your faith finally become ? The crow.

Always sit down. Sit on the window, sit on the railing.

How are you doing? "

S-SAR. FA test. Aung received by 100. [Map on page 16]

I don't think so. '

'I'm not worried. It's getting boring for a crow all day.

He sat down with the receipt. He works at the bank, but with that

Write. All his works are for children. Now a funny book.

It's a funny book.

10

Little peo has come to the house of Tukh.

Very busy with little education. His M.S. test was on the back.

No time to breathe. He said when he entered home. Gosh, breath in your house

I'm here to get you.

It's so nice to be a little boy. To him,

Maybe such a girl is on another planet. But no more. And

It's beautiful. Just keep looking.

He looks like adults when he talks to adults

Talk to the kids and you're gonna need them. He came home for a while

Play with Tuke and the gentle. Tell Mod Helma, where Ra "Sleak Your Heart"

Bring it, I'll have some dolls. Come on, we'll marry Barbie.

Don't bring a piece of paper. With him a little piece of paper

Move. A smile, too. The game is over with a gentle smile

Then tell Tukko, come on, play with you. What are you playing? If that's what you're saying.

Say you're gonna play a thief and you're a thief.

Let's play something new. Worse than thieves —

A bandman. You're a thief, I'm a woman's cop.

A man who comes home wants to jump happily. The brain

Keep your joy and say, "How long will you stay?"

We'll stay as long as it takes. Then I'm going to have something on the Ava now

It's not read, it's a test from Pochish date.

'Where's Durum going?

We need to see a better place.

- What?

"It's fair. "

Tukun and Madalala brought the tiny popoo home. The little BP house.

191

I'm gonna put it up and say you're making it a mess.

Tunk said, "Is Astable small?

"The horse is where it lives. You're gonna breathe in this dirty room.

I can keep an al-Ghush breath. '

Tach said, so good, lock it up

'What the hell is that?

'Cake image. " Wasn't it good?

It's okay. The wall size of the picture

AL

'What is that under the picture?

Touch?

It's been a great match for Globoita, too. Don't tell me.

It's just Rathethan?

We've written it together. '

It's great. Now Listen to Me — Let's go to the house

I can breathe. I've been stuck for a long time. In here.

Talk to WS BF

'Don't talk to her long, but

'Are you mad? The less you talk to the older. '

She went looking for Opla Moona. Muna Chawing, watching Ola, said you are

It's obvious. Won't you leave the house until BSA? Today

I got you!

He smiled and said I came to see your little children. After a few days

I don't like it.

It's good to see you later. You're always watching me.

It'd go crazy. I spent my fucking money on the wall.

He's got a picture of who. '

Why do you have a crow in this bird?

'Who talks to CH CHL these days?

It's a pixel. ;

MR

'A crow sits next to his window and talk about it. [Map on page 16]

- What fun!

Muna said in a bitter tone, "What have you seen?" At this age, to lie.

Teaching!

'I'm learning to guess. It's a lie. It's a different thing. You.

Don't say anything to him. '

I'm sure I'm fine. Imaginative imagination.

Not good. A crow, a crow. Houses are wearing pictures. With your mind

Listen, before you leave, you'll explain to Tukko.

Let me see. '

'Don't look, you'll understand. Even if you don't paint it on the wall.

Say it. "

It's a miracle.

The tea cup went up.

Tukun is trying to clean up the house. Of course! The paper.

Going. I don't like writing. On white paper

He does. That's what PT is supposed to give.

It's full of nice papers. She'll be happy.

He said to sit on tea cup, Twenty, whether or not.

Who do you talk to?

I do. '

What do you talk about with a bourbon?

'No fine. One day. It's a song.

Sing to CHIL

'Who do you say?

You're going to tell him. His little girl is married too. '

What did you call him — uncle?

I call him uncle. I'm asking for uncle. He said, don't tell me

You call my uncle. I like to hear if you call my uncle.

13

Who do you talk to?

"He's serious, he looks very concerned. "

You said it, bitch. Very cool. Often, what's happening to the country?

So it's going down.

She smiled and said that your father always said that. Yours.

Didn't you learn to hear him?

You may also. He's good at memory. When he hears that.

I told you a long time ago, February 14th.

I remember him. Tell me, what's my birthday?

I said I did.

He said it was a shock. It fell on Sunday. Holiday.

On Sunday, I like to walk around. I can come and understand.

I can't.

Come, you're welcome.

'I gave it to you. '

'You did good. I don't think he'll come in empty hands. Something must be.

Bring it. '

" I don't know, " she said, "but I don't know what to do. "

I think it's dead rats. Shit.

The mice love it. They're very expensive.

She wondered what to do with dead mice?

He said he'd eat. A man of yours takes so much interest

You give me one thing, and you throw it away.

Tachun is looking at little Fupur. He's trying to laugh

Keep it. He didn't. He laughed. " I'm so sorry, " she says.

She did. Both laugh. BS looks at them. And

Then something happened.

He called out from his neck in his cheeks, looking at Opa.

The smile said, "Here's your uncle."

I'm not saying anything.

She didn't say anything. The crow called again — Kaka.

15

What did he say?

'Why is SR laughing?

Tell him why I'm laughing.

I won't say anything. [Map on page 16]

"Well, I'll tell you. I think I'll call her. When you

Uncle is my uncle, and I'll be older brother. Should I call brother?

C'mon call whatever you want.

Looked at the window, he said, hello brother, for a reason.

I'm laughing. It's good to say FA with you. You think that's Ern

Come back to my birthday. Don't come in empty hands. Bring me a present.

The crow says, Kaka.

He said you won't bring an army back. Come alone. Now

But go home. Sea

It flew with a crow. It's a miracle. Remember

It's getting angry. He has big eyes wet. Before we cried

That's what the eyes look like. Oh, he said he looked like that.

Why are you there? Are you mad at me?

One

'Why, what did I do?

You didn't believe me. That's why I'm angry. Whatever you say.

I believe that. Why don't you believe me?

- You want me to believe you.

[Map on page 18]

'I'm not like other adults. I pay attention to children

And try to believe it. But I can't believe you:

'Why not?

listen to the birds.

I can't. A man's brain. Hey, man!

A little. The salt spoon. So little brain talking for birds

Possible

16

He talks. Just a little bit of ant.

It's about teaching you. That's a bad word — 'Kumtum has come

Give me that. Not much. Besides, when the angels speak, we all are.

I can hear and understand. There's a crow talking and you mean only by yourself.

I can't. GR is nothing different. You're just one of us.

Your FU hands, ZI leg, you're bad eyes. Do you understand?

'I'm coming. '

"If you understand, smile at me. Get your teeth out

Smile. '

Don't laugh, seriously tell her, if I'm the little little crow

Trust me?

A little quiet and said Ghodi was real for you.

You'll have to think about it again. No

I can't believe anything. Trust me. Big problem.

The terrible problem. '

What's wrong?

Here, a man came and said that his shoes on the New Elephant Road in Dhaka.

A terrible thing to do with store. A tiger is out. He's got him.

She's bit him. Now, if you believe the guy's point, everyone's covered.

How about getting away? Is this okay?

'C, it'll be alright Are

ORT You're getting to know we're going to believe something.

I got it. '

That's why I don't believe you. It's your birthday.

Let's see what your crow brings. Then we're not again

I'll think about it. Now laugh at me.

It's getting angry. I don't want to laugh. Yet to make small sacrifice

She laughed.

Nooh

17

8

Today's birthday.

Tukh thought it would be a great birthday. People are going home. Big

A cake will come. Seven candles will burn. He's a candle with Fazbar.

You want something in time. Whatever you want. This is the rules. See you

Nobody's coming for my birthday.

He's back from the office this afternoon and he's got empty. A gift.

The pack didn't appear in his hand. At once, tun went near his mother, saying:

Who's going to get my birthday cake?

He said no one's going. What did we tell you last birthday?

Seven years old. Then there will be no more. It's all about your father.

I love it, A enjoyed it!

No one will come to the house of Creak?

- No one's coming. I didn't tell anyone to come. But if any of you does.

Come on, then. Like your little dinner will come.

You'll find a pixor. Isn't it Mom?

A gift gift from the BAT-Freak

'Cmool bought something for me'

I bought a present. Whether it's right to give you.

I don't understand. Your father is worried. If he thinks you are.

Maybe you'll pay.

How long will it take to end his thoughts?

I can tell you what the matter is.

You know, it was sad to get around. He doesn't like anything. Of course he is.

98

Chapter 3

Not yet. I don't know why I think I'll see you after nightfall.

They're full of houses. They didn't mention birthday, however.

Date. They've been here for a while. There's so many people.

Look at the last ES Dad.

Let's get it.

No one came after the evening. Not even small. But little Papu

He's calling.

"Hale. Baby, happy birthday. '

Tachkodo Kudo told his throat, "Tack you pl"

Couldn't raise your voice. He smiled, too

It's funny, isn't it?

Oh, come on.

Are we cut?

'Now it's not.

RECT looks real. Phone tears

Protection is not visible. We'd have a problem.

Look,

If you're not married, you can't help it.

'Why are you listening?

- What?

He said, "I wish I could get sick." To bed.

I could've worldised it. Nothing is happening. A day and night's studies

Here we go. Now I read Fluive Denamics — the worst thing. '

'Do you buy my gift?

'No, I didn't buy it. Can't leave home — What's the gift?

I'll buy you one time and go. "

Really?

'Good thing, did your crow bring a gift to you?

'I didn't come.

'What do you think will come to you?

Hello, honey. YS is born!

I don't know. [Map on page 16]

Tokun sat quietly in his home. I'm not in this room today. Her

It's getting cold. Eyes red. I'm constantly getting water with my nose. Mua with him

Go to the doctor. He's dressed hot.

The receipt came and called to her house. He said,

Calm down on the chair and sit down.

Tried.

Are you upset? What's so dry?

'I think it's cold. '

'Your birthday is A — is it not sad for this?

She didn't say anything. Shut up. He said that you are.

Didn't I tell you last time?

Yes.

There are many young children in Dhaka City who are here

Sleep under the open sky in the cold. One of them is hot.

We're not even here. It's not right to be a birthday. I'm yours.

I bought it with my birthday money to buy her hot clothes. I didn't do it.

Go on

You're saying yes but you're upset. To you today.

I'm sorry but I don't feel bad when I grow up. It'll be better.

Then you'll tell him what Dad did good in this country.

You should. '

'May I go?

No boss. I'm not finished. I'm a gift for you.

Buy — See if AT

Father gave me a present. What a beautiful gift!

A colorword. It's three brushes. I think it's so big.

There's nothing left on Earth. He bought it.

Here.

listen up

'Yes. I like it. Very much. '

The receipt said you wouldn't get the box, Dad.

It's my GIF locker. When you want to draw the picture

I'll paint a painting in front of me.

Why dad?

Cm , because you're full of graffiti on your hands.

Do it. It lets you do it. Now you want to draw a picture?

That's it. It's a mess. The cake cut?

We didn't buy a dire trick.

'Why?

'Dad said it won't be birthday. From now on, it's a birthday for the poor.

Buying hot clothes OA

- Okay.

" He's a writer, he's sad to see the suffering of the poor. '

'What is this? Why do writers only care about the poor?

I hate it. I'm not a writer. I'm a crow. My own.

I hate it. Anyway, would you mind Avery?

I didn't do that.

- That's what they lied to. You're sitting in the dark and you're talking.

Not bad. You're laughing. [Map on page 16]

She laughed.

The crow says you don't have much fun. Looks like they're laughing.

How about a story? Can I tell you a story if you want to hear?

Tell me.

There was a crow in a country. It's very happy to find a piece of meat.

Tree branch. Then a fox decided to fool the crow.

Take it.

I know this story. It's the Esp story. "

He told me the wrong story. Didn't tell the real story. The real story is you.

I'm listening. Then what is the matter — the fox said, "Son, brother!

Your voice! When you sing in kako in the morning, it's so nice.

No other bird can do that in Vorbi's anger. You are the only one.

You can. You don't sing a song to me. I'm dying for listening to music.

He's doing it. [Map on page 16]

The crow caught the fox with the cleverness. He will sit and face

He'll fall down from the bone. The fox will eat that. So.

What did the crow do?

The fox's a fool, Kaka.

You idiot, you fool, kaka.

You know this — it's the real story. It's a fake story. Your father.

So the writer man. Tell him to write the real story.

UR, your birthday should not come with an empty hand

Bringing gifts. I don't know what you'll like, Avery.

Did you bring it?

A Zhong kid.

What?

She wonders where I can't see anything.

You can't see that. Zheng is good.

Only birds see Zheng's baby. Ae's kid's going around.

They'll play, but nobody's watching. '

COON-ASS: - What fun!

It's a gypsy. Besides, Zheng's kids won't bite anyone — Nothing

He doesn't. Sometimes it just bothers. '

'Can you hand it over?

'No, you don't understand anything with your hands. [Map on page 16]

COON-ASS: COON-ASS: Hey.

What if I give him a paper?

'No. He's a boy in front of men, he never eats anything. When No One Is

Then he bled the paper and swallowed it."

What a surprise!

'You're happy to hear that.

I'm glad to see you. Thank you. '

The crow blew. He wants to hit the girl of Zheng

That's not possible. It doesn't look. In the dark throat,
Zheng's kid, I'm so happy. Very happy. Here's some paper.
Here. Eat when you're hungry. I'm gonna call my little aunt now.

' Hello little papu

Why are you sweating?

'It's a matter, little Papo. '

"It's been me. BS Vingamiz all morning.

I read it and thought I was wrong. I don't remember.

Nothing. I want to scream. What's your amazing thing?

On the telephone, he keeps breathing, saying you're smart.

The tunk went back to telephone.

Hello, Little Ones.

What happened?

You know what Zhong did?

I want to hear a word about Zheng's child

All right. We'll find you.

Good-bye.

A small BP.

Put the telephone down, and the telephone is nearly once again

She did. He knows he'll be angry but he's called because he's real.

That's not said.

' Hello little ABP

Okay.

'Are you angry I called again? [Map on page 16]

I did. Too angry. '

"I'll just say one word and put down the telephone. '

One word.

You brought it. Not just cake, but eight candles.

After dinner, there was a fire. Mom said close your eyes

You want to be kind and light candles. A little light.

It'll be a good idea to take a light.

Tried to close the eye and said I was Zhong.

I can see the baby. The eyes looked and all the candles went out. Even more.

Big thing. The body looks soft.

Glass's ready. Eyes light, pink. Four long ears in the air.

What? Sea

The tkkun shook up and said, "Look at him!

I see it!

What are you saying?

Tokko said there's a Zung kid sitting there. He's listening. Look,

What a beautiful ear!

■ When I said that ■

You're so cute.

What's the matter with Zhong? [Map on page 16]

'A invisible creature. No one can see this animal. Four of it.

Long ears. He's sitting in the chair. '

'Do you see?

'Yes.

I've been looking at him for a long time.

Then FACS said it was a crow. Now related to him —

Her child. What do you think?

Muna looked hard at them and said, "Where is your Zhong?"

Children? It's...

He's sitting in the Casablanca. '

What happened to him?

Tell me

Tanton's parents have brought tun to a child expert.

The gentleman's name is M. Alam. A very big doctor at a child hospital. It's serious.

Then he — he seems like He knows funny stories.

The father said, look at this kid.

Doctor.

What happened to him?

See if there's any problem with him. '

What are you talking about? What do you care, kid?

She said no.

'So what's wrong with you? Do you remember reading?

The following year, I was baptized. [Map on page 16]

Munna said he had no problem out there, doctor. To study

Good. Smart. A lot of sports. It begins to say so — One.

The crow speaks to him.

The doctor smiled without saying Sona

I spoke to a Teddy Bear. It doesn't matter.

I know it doesn't matter. Me or my wife

- We didn't care much but we had a new problem. He says.

He has a Zhong kid.

What?

Son of Hoong. An invisible creature. No one can see. Just him.

A

He sees it. Well,

The doctor said, don't say that. What's the importance of it? Children.

There's a lot of fantasy. You know, it's gonna be all over. Yours.

No reason to worry.

The receipt said that there is no reason to worry. Ooh.

Now he's always been with Zheng's kid. She's having a bath. Clear

He's on it. Taking me to school. There's no way we can slow it down.

Here we come to you — My son brought his Zhong children.

Did the doctor smile, son?

She said yes.

Where is she?

'This is it, sitting on your table. "

The doctor looked at the table. I thought he was empty table.

A bit disappointed. Maybe you expected to see something. Doctor

Looked at him and said, "What does your Zung eat?

Creaks eat.

Do you have any kind of paper?

FS A mean newspaper A sign

'The money? '

It can do. I never gave him money.

'Okay, I put this interesting note. Let's see if he eats. '

Dr. Onet.

She said she wouldn't eat in front of you. If anybody's in front, they don't eat.

Eat.

Tukk said, eat tuna, eat.

Five hundred bucks. She said she wouldn't eat. We look

I'm here — don't eat for this.

The doctor said he wouldn't eat money?

She said, "We're all watching and not eating. Don't look

He would've eaten it. He's too shy.

That's it. ARP, put in the table.

She said, I think Zheng's kid ate the note. We

When I was looking at the other side, he was drunk.

He did.

The doctor said, ' Listen, kid, nobody eats anything. The note in the air.

He fell down from the table. GEL will find it.

The doctor was busy looking under the table It's amazing.

All the papers in the basket were on the floor. The parents wanted to find out.

They're looking. Not a note. The doctor said in his face, maybe the wind.

He's out of the window. That's it. Nothing more. She's her

I sent Gasston to find out. Getting something

The doctor said that I understood what happened — the note from the window

He's out. Someone's found someone. It's the only explanation.

If you don't mind, I'll tell you

Give me the money.

■ Why don't you give me money ■ Well, better, the existence of this invisible beast ■

Do you believe?

'Fal?

'What happened to believe this beast?

It didn't happen.

It's no problem with the pix. This guy doesn't think it's bigger.

Not talking. I think your son, H.G. Wells, is a pixinive of H. Wells.

Man fell. After reading it, the concept of an invisible beast went through his head.

Don't please. That's it. [Map on page 16]

We're not giving up. '

He didn't even want to. These are some of the ways in which we can imitate Jehovah's love.

He's here, too. '

The doctor looked at him and said, "You're invisible.

Have you read the book?

Tochunkari's neck says Manz cannot disappear. disappear of Zhong Children.

The doctor said it's okay.

He woke up. You tell Tukk, give him a shot.

She said, Galluum.

The doctor said, "Are you taking your Zhong's baby?"

I'm taking you there. '

Cruttine

The doctor's GEU went after the guys left, because it's kept on the table.

He doesn't have half a page. Looks like it's just been pulled out.

But this diary is important to him. Emergency address, telephone number.

The doctor was sitting on the serious face.
